## WELCOME TO BREAKFAST AT WARRENMANG

Good morning and welcome to our breakfast buffet!

Please choose from an abundant and varied  
Continental style Breakfast Buffet each morning.

Help yourself to our famous house roasted muesli, a choice of cereals with the milk you prefer; pour yourself a juice, and select from yoghurt, the fruit bowl, freshly baked in house artisan breads with a choice of spreads. Our breakfast staff will serve you brewed coffee and leaf tea upon request.

If there's something you enjoy at breakfast time, but it's not available on the buffet, perhaps a glass or two of bubbly ☺ ...  
we will do our best to fulfil your wishes

If you prefer to have a cooked breakfast, at additional cost, you can select from our daily changing menu of delicious breakfast dishes featuring free range eggs, bacon, spinach, local sausages, tomatoes or a delicious vegetarian option.

*Remember : Don't leave Warrenmang without taking part in the hosted tour of our underground barrel hall and winery. It's a great experience not to be missed.*

*Use your VIP WINE PURCHASE CARD to take home a car full of fantastic five star wines less 20% discount – or for a small charge, we can gladly ship them direct to your door, wherever you live.*
