

## Warm Greetings from Luigi and Athalie @ Warrenmang Vineyard & Resort

We're in the middle of our 39<sup>th</sup> Grape Harvest in the Pyrenees and Luigi is loving our incredibly abundant 2017 crop. We want to share the joy as the grapes turn into wine and there's lots of joy in the attached Wine Order Form. While we are picking and bottling and welcoming guests to the resort, winemaker Greg is excitedly focusing on making some the best possible 5 Star wines for our wineloving Wine Club Members.

Winemaker **Greg Foster** is back for his second vintage and he is absolutely delighted with the quality and quantity of our fruit. This year it's coming in quickly thanks to our new picking team who are doing a spectacular job, lead by Viticulturist **Wayne Holland**.

Best news of all for Luigi, son **Andreas Bazzani** has joined the 2017 harvest team, (some of you will remember Andreas from years ago in the Warrenmang restaurant as a young graduate from Hotel School in Switzerland).. he'd love you to come back and say hello.

*Note the picture of Andreas utilizing all those hotel skills on the forklift.*
