“A Paradise for Lovers of Food Wine and Nature”**

Weddings and Conferences are Warrenmang Resort’s specialty.

Warrenmang has a charming little wine village of chalet style cottages and suites, with stunning view of the Pyrenees ranges. There is accommodation for 80 guests, (additional accommodation adjoins the property) and the restaurant can accommodate 100 guests. There are separate amenities for conferences and events. Many couples choose to be married in the atmospheric underground barrel hall, prior to their reception at the resort. The Resort pioneered wine tourism in Australia in 1989 when Warrenmang became the first winery offering fine dining, resort amenities and on site luxury accommodation. For more information please email bazzani@warrenmang.com.au
