**WARRENMANG IS BEAUTIFUL IN WINTER**

What better way to spend a wintry afternoon than sitting with good friends, enjoying great food and fantastic Warrenmang wines, warmed by a cosy log fire.

You will also meet new people and share the company of Warrenmang's hosts, Luigi and Athalie Bazzani. No doubt Luigi will be tempted to show off some of his finest wines matched to each delicious course and maybe even give you a sneak preview of some future vintages.

**Just \$79 per person includes the following:**

- Three Course Lunch created for the occasion by Daniel Jones
- 6 hand selected, premium vintage Warrenmang wines, matched to the lunch menu
- Opportunity to purchase Warrenmang wines less 20% discount
- Hosted tour of the underground cellar and barrel hall with tasting of current release wines. Hear about current vintages, and special wine purchase offers.
